PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires were caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fire which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	1
Number of acres burned	0
Number of permits issued	63

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Washington:

I am pleased to present my sixth annual report for your consideration.

During the school year 1958-59, Mrs. Madeleine Basto found it necessary to resign due to illness. We were fortunate to obtain the services of Mrs. Norman Fletcher and Mrs. John Tasker to complete the year. Fortunately, Mrs. Basto fully regained her health and was able to return to us this year.

School opened with 19 pupils which has since increased to 21. Grade divisions are as follows:

- Grade I - 4
- Grade II - 2
- Grade III - 5
- Grade IV - 1
- Grade V - 2
- Grade VI - 1
- Grade VII - 4
- Grade VIII - 2

This was not considered a very heavy load in the old days, but in the light of modern demands upon both the teacher and the pupil, it is considered to be a real load for a teacher with just one grade to teach, while this situation present eight grades.

Pupils attending high school from Washington are as follows:

Hillsboro-Deering Cooperative High School

1. Cheryl Ashley, Grade IX
2. Lura Munroe, Grade IX
3. Janice Fletcher, Grade X
4. Kathryn Otterson, Grade X
5. Michael Otterson, Grade X
6. Richard Cilley, Grade XI
7. David Otterson, Grade XI
8. Ralph Otterson, Grade XI
9. Muriel Rolfe, Grade XI

Newport High School

1. Beverly Barker, Grade X
2. Philip Barker, Grade IX

Tuition at Hillsboro during the present year is \$350 and at Newport \$350. The State average cost per high school pupil, which is the basis for most tuition charges, is \$388.

Kathryn Otterson should be congratulated for consistently having her name on the honor roll.

In 1955-56 Washington paid \$919.49 for tuition for three high school pupils. Next year it is anticipated that there will be 15 tuition pupils which will make our tuition payment \$5,040. Taking this into consideration, it is not difficult to understand why the total budget continues to grow. It appears that the above number of tuition pupils should remain rather constant from now on, and that the total budget will not suffer more large increases.

Transportation costs have fluctuated the past few years due to changing routes. Inasmuch as it is not now necessary to make the East Washington trip, the present cost is at its lowest peak.

Mrs. Babb and Mrs. Newman continue to do well with the noon lunch program. The amount of surplus commodities is small and although several different items have been received the total amount is not great. Mrs. O'Keefe has contributed greatly to the program by transporting the milk daily.

Mrs. Mary Griffin, R. N., continues to watch over the school health problems with a personal interest in each youngster. We are fortunate to be able to continue her services.

It has again been a pleasure to work with the pupils, teacher, School Board and citizens of Washington and I wish to express my appreciation for their fine cooperation.

Respectfully submitted,
NORMAN R. HARTFIEL
Superintendent of Schools
